Poland Special: „Fang Den Wind“

Poland, Eastern Europe. 15 cities. 4 weeks. More than 400 workers out of 18 nations. Tens of lives saved. How to describe an evangelism project like this in so few lines? How to choose among so many photos taken, so many looks, smiles seen, so many moments experienced?

To participate in the Project “*Fang Den Wind*” (“*Catch The Wind*”) was a great blessing for me, and I believe also a landmark in my life. Before I went I was sure I would be impacted, but had never imagined how much. Every week, every city, every group I joined was different, but equally unforgettable.

After a lot of work I could choose among more than 700 photos I taken, and sent some of them to my blog (www.amscultori.blog.br), but I thought it would be good also to make a summary and send it to you as well, as a Prayer Letter.

Niech cię Bóg błogosławi! (God bless you!)

Praise and Worship

We had the participation of many groups from several nations so we heard songs Polish, Russian, Chinese, Swahili, Bulgarian, German, English and, of course, Portuguese.

I also helped playing guitar, leading worship in Portuguese and even singing in Swahili.

*"Sing praises to the Lord... proclaim among the nations what he has done."
(Psalms 9:11)*

In the picture, part of a Polish group, ministering in a village.

Every place we went we were always surrounded by children, and it was wonderful being with them! We played with ballons, painted their faces, taught songs with hand movements, or played small games, which was more than enough to attract lots of them – and their parents always followed afterwards.

Working with children is always very gratifying, and also a very fruitful field! *"Let the children come to me... for the kingdom of God belongs to such as these."* (Mark 10:14)

At the side, some children in Pisz (third city I visited).

Work With Children

Weekend Concerts

Every night we had evangelism services in tents or Cultural Centers in the city. Apart from that, every weekend we gathered together with the groups from 3 other cities and made a big evangelism event, with the participation of several bands. We also promoted two March For Jesus, in two cities!

*"I will proclaim the name of the Lord. Oh, praise the greatness of our God!"
(Deuteronomy 32:3)*

In the photo, during the March for Jesus, in Gizicko! Jezus żyje! Jesus Lives!

We also had the participation of two bands, one from Canada, another one from Warsaw (Poland's Capital), which ministered in several services, and also a *hip hop* group, and many other drama teams that performed in the streets.

Thank God many people were touched through drama and dance, even though we had a language barrier. It was awesome!

"Praise him with tambourine and dancing, praise him with the strings and flute." (Psalms 150:4)

In the photo, youth group from a church in Rostock (Germany).

During the four weeks we had the help of a youth group from Poland, called **Generacja T**. They are young people from 13-25 years old who get involved in evangelism projects in the whole nation during their vacation.

It's a team that never get tired of evangelizing and working to the Lord! It was wonderful to work with them!

"Don't let anyone look down on you because you are young, but set an example..." (1 Timothy 4:12)

To the side, group from Generacja T and myself, in Elk (first city I visited)
